Chuan Spa at The Langham Huntington, Pasadena

Welcome to Chuan Spa. Here you will find an oasis of tranquility just minutes away from Los Angeles and Hollywood. The soothing setting inspires contemplation and introspection as you embark upon a journey to balance the mind, body and soul. In Chinese, Chuan means flowing water. As the source of life, water represents the re-birth and re-balancing of our whole being. Begin your Chuan Spa journey at our Contemplation Lounge, where you will identify your element of the day. Enter through the Moon Gate and proceed into our luxurious changing facilities to enjoy the heat experiences prior to your spa services. Indulge in one of our signature holistic treatments designed to restore peace and harmony. Complete your journey to wellness resting in our exquisite Dream Room, while enjoying one of our Chinese five element teas.

The Five Elements

The foundation of our Chuan Spa signature treatments is Traditional Chinese Medicine (TCM) and the five elemental forces of wood, fire, earth, metal and water. These life elements combined with your energy flow and the influence of heat experiences have great impact on your well-being.

Spend a moment to complete a five element questionnaire at the beginning of your journey to ensure your therapist addresses the imbalances of your life elements. Your selected element may change on a daily basis and is affected by what you eat, the seasons of the year as well as your bio-rhythms.

Our range of five element essential oils, incense, candles, and teas have been created exclusively and in consultation with professionals in Chinese Medicine and Naturopathy.

Your element will guide your Chuan Spa experience to create the most desired results for your overall well-being.

Heat Experiences

Before your treatment, embark on a natural journey– the Chuan Heat Experiences. Chuan Spa features an array of wet and dry facilities to exploit the body's reaction to hot stimuli for deeper dimensions of relaxation, health and well-being.

The experience begins with the herbal steam or sauna allowing the heat to loosen and soothe tightened, congested muscles. Round off the ritual with a long soak in the whirlpool to prepare you for your spa treatment.

The Chuan Heat Experiences are part of the journey to rejuvenate and soothe your body, mind and soul.
