BodyTalk is a well-established system of health care, utilising energy medicine to help the body to better heal itself from injury and illness.

BodyTalk Fundamentals offers individuals and health care practitioners a comprehensive introduction to the BodyTalk System. This practical and theoretical course teaches many powerful treatment techniques that address a wide variety of health issues.

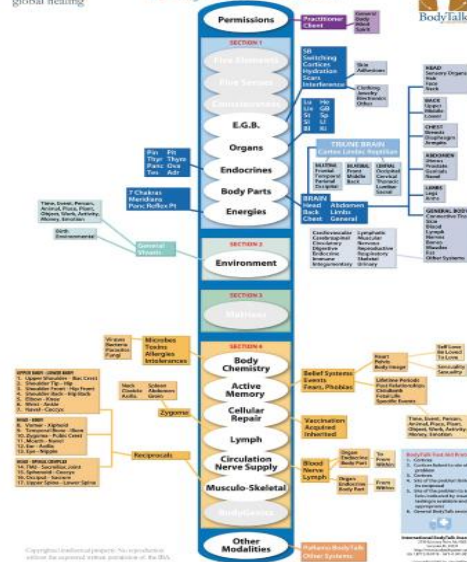

You will learn to:

- relieve brain fog, improve mental performance and manage stress,
- address allergies, food intolerances, viruses, bacteria and toxins,
- release emotional traumas, fears and phobias,
- correct posture and structural issues,
- balance lymphatic, nervous and circulatory systems
- address damage done from vaccines, chemicals and the environment
- release muscle tension and balance coordination, pain and mood,
- relieve digestive issues such as constipation, bloating, irritable bowel syndrome,
- and much more.

This 4-day program gives you the opportunity to practice what you learn. BodyTalk treatments are non-invasive, completely safe and easily integrated into other healthcare regimes.

Testimonials

"BodyTalk is perhaps the easiest yet most powerful method you can learn to keep your family healthy. This applies to everyone, whether you are a medical doctor, an athlete, a mother, a therapist of any kind or a Ph.D. candidate."
Dr. James Oschman Ph.D, Author of "Energy Medicine"

"The principles BodyTalk are based on proven scientific facts and leading edge discoveries. It is a new way of addressing our well-being in the future. BodyTalk opens an unlimited collection of energetic possibilities for us to heal on many levels." *Dr. Amit Goswami Ph.D. Quantum Physicist*

"The BodyTalk Fundamentals seminar was comprehensive and well-thought-out. The materials are clearly explained, with critical procedures graphically documented in an easy-to-follow format. There was a good balance of theory and practise. I would recommend the seminar for anyone who is interested in learning about an easy, effective and safe healing technique." *M MacKenzie, Editor*

"Excellent seminar, very practical, and applicable to many areas of my life." *LW, Hong Kong*
